Conclusions, as of April 26

There are virtually no polls. Most primaries are in May, June and beyond so it is hard to recommend specific races for support. However, three things stand out:

- PA has 3 red seats are tossups <https://www.padems.org/padems-action-center/>
- AZ has been hard-fought recently and has 2 red tossup seats. <https://azdem.org/>
- Others – Google <Postal 2 Letter> dem

Recommend supporting the PA Dems, AZ Dems for now. More info latter part of May
