

We are PA Dems! We are excited to partner with Carlisle Dems to help elect strong democratic leaders in Pennsylvania!

Pennsylvania is the number one battleground state in the 2022 midterms.

We're fighting for:

- Governor
- Lt. Governor
- US and State Senate
- US and State House of Representatives
- and more!
- Abortion access, healthcare, worker's rights, the environment, voting rights, and more are at risk!
- We need to elect Democrats up and down the ballot to expand our majority in the Senate, keep the Governor's house, and hold the House.
- That's where you come in!

We NEED the help of strong democratic volunteers like you at Carlisle Dems. In order to protect our rights and values in PA we are calling on you to help us elect democrats up and down the ballot.

Please join us for these upcoming events to hear our strategy on how we will mobilize in this critical time to reach voters.
