Registrar Qualifications: We are looking for a registered democrat residing in Carlisle. The candidate need not be associated with the DTC, but the DTC can nominate, with a quorum vote, forward to the town clerk – by April to replace Cynthia Schweppe. The board consists of the town clerk and three residents nominated by their party TCs or appointed by the BOS. Registrars are responsible for running town elections, maintaining a correct list of registered voters, etc. The town of Grafton has a nice list of duties and Cynthia or Anne Gibbs can fill you in on how much time the job takes.

New Members: We have two applicants. The first is Rebecca Morris who is a new Carlisle resident, registered as a democrat in our town. Those who attended the below-quorum meeting in November will have met Rebecca. She would be our second member on the state committee. I have not been able to reach the second interested person to confirm.
