Buy food: dogs, burgers, cheese, buns, condiments	Carrie Patel, Bob W?	
Tables set up with sanitizer, masks, other?	MAD member to bring supplies. Nancy can volunteer hand sanitizer	
Food servers (4?)		
Roving photographer	Maureen	

Notes:

We think it a good idea to avoid finger food fished out of a bowl, like chips. Pls bring in small bags people can just pick up. I know this wastes plastic but small paper bags can be purchased separately.... What are food servers? Maybe we don't need them but the idea is to have people form lines at the tables to get served. Minimizing close groups of people is recommended.
